

Linden Park Primary School Uniform Code

Our students are proud to be part of the Linden Park Primary School community. Our uniform is designed to be smart and distinctive as well as comfortable and functional for students.

Students are required to wear items on the Uniform Code list, which are in the school colours of maroon, grey and white. The wearing of clothing with the school logo is strongly encouraged and other logos are not acceptable. All items purchased outside our uniform shop are required to comply with the Uniform Code. Students are required to comply with the School Uniform Code at school and when representing the School at other venues.

Exemptions: from wearing the uniform can be sought from the Principal on the following grounds: religious (clothing or adornments, unless the item poses an unacceptable risk to safety); cultural or ethnic; new students (reasonable time to purchase); itinerant students; financial hardship; medical or family sickness; student casual days and special events.

The Uniform Shop endeavours to stock good quality items at reasonable prices that comply with the Uniform Code. The opening hours are listed on our website <https://lindenpkr7.sa.edu.au/parent-information/uniform-shop/> and is next to the front office. Uniform items can also be purchased via the Qkr app and these items will be delivered to your child's classroom. If you would like your child/children to visit the shop alone, our helpful staff at the shop will assist. The Uniform Shop has a small selection of second-hand uniforms available for purchase.
